April 2009

President's Message

Hope everyone is doing well. I will be glad to have a week of sunshine ahead instead of all the April showers we been having. Our meeting on April 27th, Samuel Peterson from Columbia will give a discussion on traditional woodworking with hand tools. I will be bringing all the magazines that were donated from Arthur Witts' family. There are lots of magazines and even a large collection of "Wooden Boat" magazines. So bring some cash or your checkbook. We also still have other magazines for sale. These are all at 25 cents each and are great bargain and a wealth of knowledge.

See you next Monday.
