August 2008

President's Message

I have been busy wood turning and getting ready for a few art shows this fall. I have been making a bunch of new bowls and stoppers. I even made a hollow form recently out of some Bradford pear that I picked up at the Capen mulch site.

We have a great program this month on making band sawn boxes presented by Bob Colegate from the St. Louis Woodworkers Guild.

Thanks again and I look forward to seeing you all at the next meeting.

Steve Massman
