August 2009

President's Note

I will have an MWA membership list at our August 24th meeting. Please check your address, phone number and email address. This list will be the Official MWA member list that I will send to Hartville Tool which will provide discounts up to 20% for official members. PLEASE MAKE SURE THAT YOU ARE ON THE LIST!

Our Toy Car Plans are now on our web site in PDF format for easy downloading and printing. Our web site also has a list of our meetings, speakers, and upcoming events under the "Upcoming Events" link. Past Newsletters are also available. Enter "www.midwestwoodworkers.org" into your web browser to access this useful information!

HEADS UP - ADVANCED NOTICE: Our September meeting will be held on Saturday October 3rd as we will be visiting a sawmill north of Columbia. For driving instructions & maps please look under "Upcoming Events" on our web site.

Our August 24th program will be presented by Phillip Peters on Airbrushing. This technique/tool may be very useful to many of our members. One example is, Box Elder that has red staining will turn brown over time when exposed to sunlight. It's possible using airbrush techniques to paint the stain where it will always stay red in the future. I will try to acquire an Airbrush air compressor for this month's raffle. Be sure to pay attention and ask many questions as you may be the lucky winner.

Next Toy Workshop will be 6:30 pm Thursday August 27th at the Pet Facility on Hereford Drive.

Next Woodturning session will be 6:30 pm Thursday September 3rd at 305 W Parkway Drive in Columbia.

Hope to see you at these events for great time!
Thank-you,
Ernest Hilderbrand

July MWA Meetings

Board Meeting

July 27, 2009

Meeting held at Boone County Mill Works

Present Terry Selby, Steve Massman, Clyde Rea, Ernest Hildebrand and Karl Haak

We discussed door prizes and raffle items

Programs were discussed

We decided to change meeting agenda

We decided to offer magazines one more time and dispose of rest

Minutes.

July 27, 2009

Meeting held at Boone County Mill Works

Ernest Hildebrand, President

36 members present

Since last meeting Ernest agreed to be president and the vote was unanimous

Ross Seina will be new toy chairman

Gary Straub, a former member, gave a very good program on sharpening and using scrapers. He showed several members how to sharpen their scrapers and answered many questions

Due to length of program minutes were not read and treasures report omitted

There were several show and tell items

The raffle was won by Ralph Danley. It was an air compressor and the raffle took in \$83.00

The door prize a gift certificate was won by Brian Pace

The magazines were offered to anyone that wanted them before we get rid of them

			Boone County Millwork
December ?, 2009	TBA	TBA	Annual Club Holiday Dinner

Announcement from WOOD magazine for you and your club members:

We heard your repeated requests and we've answered the call. After months in the making, we're getting close to finalizing the first-ever, compilation of the past 25 years of WOOD magazine in an easy-to-use, easy-to-search DVD format. The DVDs include:

- *? Thousands of Shop Tips
- *? 1,100+ projects with detailed instructions
- *? Hundreds of woodworking techniques
- *? All articles and projects are printable
- *? Pattern inserts with full-size patterns from original issues are included

We're currently taking pre-orders for late August delivery. Order now to reserve your copies. Your credit card won't be billed until we ship in late August. Since some of you have been subscribers longer than others, we've divided the DVDs into five-year increments, starting with our first issue in 1984.

The WOOD Magazine Back Issue DVDs are available through [woodmagazine.com/DVDlibrary](http://www.woodstore.net/cowomacoondv.html) <<http://www.woodstore.net/cowomacoondv.html>>

MWA members learn to sharpen cabinet scrapers from Gary Straub at the July 2009 club meeting.

I have been unable to find a source of new handsaw jointers but they seem to be available from antique tool dealers. You might find one at a garage sale or “antique mall”. There are instructions for sharpening cabinet scrapers at the following websites (some include videos):

<http://woodgears.ca/scrapper/index.html>

<http://www.joewoodworker.com/scrapper.htm>

<http://www.woodsmithstore.com/cabinetscraper.html>

I found a 3” oval burnisher at:
