July 2008

President's Letter

I want to thank everyone for the vote of confidence in making me the new club president. A big thanks to the new Vice President Clyde Rea and new Treasurer Tom Stauder. I have been busy trying to get speakers or demonstrators lined up for future meetings. I will cover some the speaker/demonstrator ideas at the next meeting. I have been spending time trying to duplicate some of Tom Stauder's bowl from a board ideas and hope to have some finished for the next meeting. Along with the bowl from a board, I have been busy buying parts for a thickness sander that I am using the plans in Shopnotes #86 as a reference. Thanks again and I look forward to seeing you all at the next meeting.

Steve Massman

Dues for 2008 are payable

The club year begins in June and annual dues of \$20.00 are now payable to the treasurer. Members who have not renewed their membership by the September meeting will not continue to receive a newsletter. Please see Tom at the July or August meeting and continue to support the Midwest Woodworkers' Association. Thank you!

This MWA Newsletter is earlier (and shorter) than usual as I won't be here for the July meeting but hope to be someplace higher, cooler, and less humid. Have a great summer, don't miss the July meeting if you are in town, and remember to pay your dues for 2008-2009 if you've not done so. See you in August.
