

MIDWEST WOODWORKER'S ASSOCIATION

Promoting Quality
Woodworking

Are you a woodworker?

The Midwest Woodworkers' Association is a not-for-profit 501c3 organization founded in 1983.

Monthly Meetings: We meet on the fourth Monday of the month at Boone County Millworks at 7:00 PM. Exceptions to the 4th Monday of month would be when it conflicts with a holiday. In this situation alternate dates are announced in our newsletter which is posted on our website www.midwestwoodworkers.org

Meetings consist of general business, announcements, Show & Tell, a presentation and a drawing for a door prize.

Presentations are always on a topic of interest to woodworkers and are combined with demonstrations. Past demos have included

topics such as sharpening tools, using scroll saws, lathe turning, dovetail joints, and sometimes swap meets.

Member Benefits

Library: We maintain a large collection of books, videos, magazines and plans for the use of any member. A library catalog is maintained on our website.

Toy Project: Our members meet the first Thursday after our regular Monday meeting at "The PET Project" facility to make toy cars for children in need. Members also make hundreds of toy cars in their home workshops. Thousands of cars, trucks, planes, boats and other toys are provided for Christmas gifts, children in shelters and elsewhere locally, nation wide and internationally.

Internet: Check our website – www.midwestwoodworkers.org - for more information about the club, how to join, tips, links to other sites, newsletters and other useful information.

Newsletter: Our newsletter is sent either by mail or email monthly and informs members of the location and content of the next meeting. Interesting articles, hints, and announcements make for interesting reading.

How do I learn more?

Internet

www.midwestwoodworkers.org

Come to a meeting: Check the website or one of our members listed below to find out about our next meeting and attend one. You may learn a thing or two while teaching our

membership something new too and make many friends.

Or Email

midwestwoodworkers@gmail.com

How much is membership?

The Association is funded by membership dues of \$22 per year for new members, \$25 for a family membership, and \$20 per year for renewing members. The Association is overseen by a board of directors who are elected annually.

Dues pay for newsletter expenses, special parts for the toys that members make, door prizes, spring picnic and Christmas party. New member fees are pro-rated when joining in the middle of the year.
