October 2011

President's Letter

Our festival time is behind us and the elves are busy preparing for the Christmas and holiday season. I would like to thank Bobby, Terry, Joe, Karl, Olin, Earnest, and Bob for their help at the Pumpkin Festival. They had large crowds and helped make approximately 760+ cars. When you see them, please thank them for their time and talents. The homemade donuts made by Terry's family were a big hit. I was able to make it out on Sunday after my 10 hour drive back from Tennessee on Saturday. My three day class with Judy Gale Roberts, the co-founder of modern intarsia, was filled with fun and sawdust. I cannot wait to go back for another class or maybe we can bring her to central Missouri.

This month's meeting is the SWAP meet and homemade jig display/show-n-tell. Please bring in your favorite jig or homemade tool to show and talk about. Also, bring in an item or two for the swap meet. Hope to see everyone at the meeting this month.

Minutes were read

Treasurer's report showed M.W.A. had \$4221.00 and the turners had \$979.00. We took in \$657.00 at the Heritage Fest

We discussed the Pumpkin Fest to be held Oct. 8 and 9th. Darren said we need as many volunteers as can help.

The October meeting will be a swap meet and members to bring tools and jigs they have made

Clyde said we do not have enough interest to have wooden plane class but we may have class to make large Shaker box if there is enough interest

Clyde said we have been asked to help judge at the state industrial arts contest at Osage Beach. Anyone interested contact him

Ernest announced a toy workshop Sept. 29th at the PET workshop

He also said there would be turners' work shop Oct. 6th at his house

Sam Peterson gave a program on the projects he has used Boy Scout Jamborees. This gave us ideas on things to make at Coyote Hills

Terry had wood to be taken

The door prize was a goody bag and was won by Ernest

The Raffle was a sander and was won by Harold Ankeny

The raffle bought it \$31.00
