October 2017

President's Letter

Greetings Woodworkers:

Thank you to Tony Cardwell and all at the Cardwell Hardwood Store. They showed there huge selection of local hardwoods as well as their selection of exotic/imported woods ranging from Lacewood to Purple heart as well as a lot of woodworking equipment and supplies. They had LUTZ barbeque sandwiches with all the fixings and gave away a lot of door prizes and demonstrated cutting thin woods and veneers. It was a great tour and about 30 of us who made the trip will agree it was worth attending. Thank you for a great turnout and I hope you won a great door prize. We are planning to add Cardwell to our website list of sponsors, but in the meantime please like them on Facebook and their website and stop at their store and say you are with MWA.

OCTOBER MEETING October 23, 2017

(this is the 4th Monday)

will be at my workshop just north of Columbia.
905 W. Colchester Rd. Columbia, Mo. 65202. (See attached map)

We will have a presentation on tool sharpening machines (sharp tools make better joints) with many members giving demos on their sharpening system.

We currently have a Veritus power syatem, a Veritus hand sharpening jig, a worksharp, a Sorby belt system, a Shopsmith disc, and a Baldor grinder with a steel wheel. If you have a sharpening system not on the list please let me know and add it to the list. We will also need a few chisels to practice on, so bring a few of them as well. We will set them up around the shop and have a short presentation on each machine as we go around the room. We are also planning a display of Christmas decorations you can build for the season with some templates for you to copy if desired. Please bring some Christmas decorations for show and tell with or without permission to copy designs as well as any regular show and tell. We will also have a discussion on the toy project and what we can give back to the community. We will have a regular business meeting with a drawing and a raffle.

See attached map. Go North on 63 to Prathersville Rd. go to the 763 roundabout (location of the old 63 diner. It's closed but still a landmark) Take Hwy VV and go NorthWest 1.4 miles to Mauller Rd. Go left (west ¾ mile

to Wade School rd.. turn right (North) and go about ½ mile to Colchester rd. (it is a left turn County Downs lake is on the right. Go West to the 5th house on the right side. There is plenty of parking.

NOVEMBER MEETING - - LATHE TURNING WITH ERNEST HILDERBRAND

A carpenter was giving evidence about an accident he had witnessed.

The judge asked him how far away he was from the accident.

The carpenter replied "twenty seven feet, six and one half inches".

"What? How come you are so sure of that distance?", asked the judge.

"Well, I knew some idiot would ask me. So I measured it!" replied the carpenter

ADVERTISEMENTS

Members may advertise to buy or sell new or used tools, wood, hardware jigs, hardware, sale items or services each month in the newsletter. Send your request of for-sale item or what you have to offer in a word format that can easily be cut and pasted into the newsletter and send it to me before the 3rd Monday of the month and I will try to get in the next newsletter. Currently no charge to members.

Woodturners:

Our October meeting will be on Christmas presents and ornaments. Please bring such items for Show and Tell share with our membership. Richard Hoepfner will present our program. We will meet at Tom's house on Sunday Oct 22nd at 1:30 pm. Bring your safety glasses a chair to sit on.

Tom's address is:

4779 E Turkey Trail Dr.

Columbia, MO 65201-3107

FOR SALE

CUTTING BOARD CLASS

This class is taught by Tom Hutchinson and will be held at his home shop, at 15361 Hopper Rd, Sturgeon MO 65284. The shop is supplied with the latest machinery, a 19" Grizzly band saw, 12" planer, 6" jointer, 2 spindle sanders, a 16/32 Performax drum sander and a 24" Grizzly duel drum sander. The shop is equipped with a 3 HP Grizzly Cyclone Dust Collector and collection piping goes to each machine. The class takes two afternoons. Enrollment is limited to a maximum of four and a minimum of three students. Tuition is \$50.00 per student. All materials are supplied. There are almost two dozen species of wood to choose from and these will be supplied in either ¾" or 1" stock.

> If interested please call Tom Hutchinson @ 573 442 6675

or email at hutweb1@gmail.com<<mailto:hutweb1@gmail.com>>.

WORKSHARP WS3000

Electric tool sharpening system. In like new condition. Go to worksharp website for details.

They sell new for \$199 plus shipping and tax etc.. Joe wants \$100 and will be bringing to the next meeting, but better e-mail ASAP if you want as it may be sold before the meeting.

Joe Feldmann <emailjoedonna@gmail.com>

WANTED TO PURCHASE

SHAPER BITS

I have a Craftsman Shaper with ½' spindle. I have ½' – ¾' adaptor bushings so could use either size. I am looking for round over bits mostly and other profiles. I would like to find used and cheap. Norm Anderson: 573-881-0188 e-mail: nanderson@sydenstrickers.com

September 2017 MWA Meeting

The September meeting of the Midwest Woodworkers' Association was held at 6:00 PM on September 25, 2017 at Cardwell Hardwoods in Jefferson City; Norm Anderson presiding. Thirty two members and guests were present, Members carpooled to Jefferson City to see the new woodworking and lumber supply store at Cardwell Hardwoods. Members were treated to a barbeque dinner after which a number of door prizes were awarded. Cardwell personnel then demonstrated a band saw which could cut wood down to 3 mm in thickness. MWA members then toured the new store and several took advantage of the opportunity to purchase lumber and supplies. Members of the MWA appreciate the convenience of a fully stocked woodworking store in mid-Missouri.

The October MWA meeting will be held in Norm Anderson's shop and a number of sharpening systems will be demonstrated.

Directions to Norm Anderson's Shop

Directions to Norm Anderson's Shop--905 West Colchester Road, Columbia, MO

Take Highway 63 north to Prathersville Road (next exit north of the fairgrounds)

Go west to Highway 763 (Rangeline); roundabout by the 63 Diner

Go northwest 1.4 miles on Highway VV to Mauler Road

Go west 0.6 mile on Mauler Road to Wade School Road

Go north on Wade School Road to second road on the left side (Colchester Road)

Go west on Colchester Road to 4th house on the right side

Christmas Toy Project

Several members of the MWA spent last weekend at the Hartsburg Pumpkin Festival where they accepted donations in exchange for toy cars assembled by and given to children (and some not children). While our accounting system is not very accurate, we estimate that we distributed between 1,000 and 1,200 cars. The remaining toy cars that have been made by MWA members will be distributed to local and international organizations that serve the needs of children in time for Christmas. In addition to the pleasure of watching the expressions of joy and amazement on the faces of children as they assembled and drove their own toys, most of us enjoyed the variety of fair food offered by vendors at the festival. The weather was good, the company was exceptional and no thumbs were blackened. If you have not participated in the past, please consider joining us for a few hours at next year's festival. Donations earned at the event are used to support the toy project and other activities of the MWA.
