October 2018

President's Letter

Norm Anderson

Greetings Woodworkers:

Thank you: Bob Youngquist for a great shop tour and some great ham and beans. The presentation on making box joints was very interesting, and I enjoyed the presentation. Bob made it look soooo easy and the box sides fit perfectly. There were a few other box joint jigs shown at the meeting as well. Thank you to all the input, it made for a great meeting and a great learning experience. I have started making a jig for my shop and hope to be ready to make some boxes soon, hope they work out as well as those Bob made. Thank you to all who worked at the Hartsburg Pumpkin Festival. Despite the cold weather the turnout was good and we had good donations and lots of kids building cars.

NEXT MEETING: OCTOBER 22, 6:30 PM (4th Monday)

Boone County Millworks (2112 Vandiver Drive, Columbia, Mo)

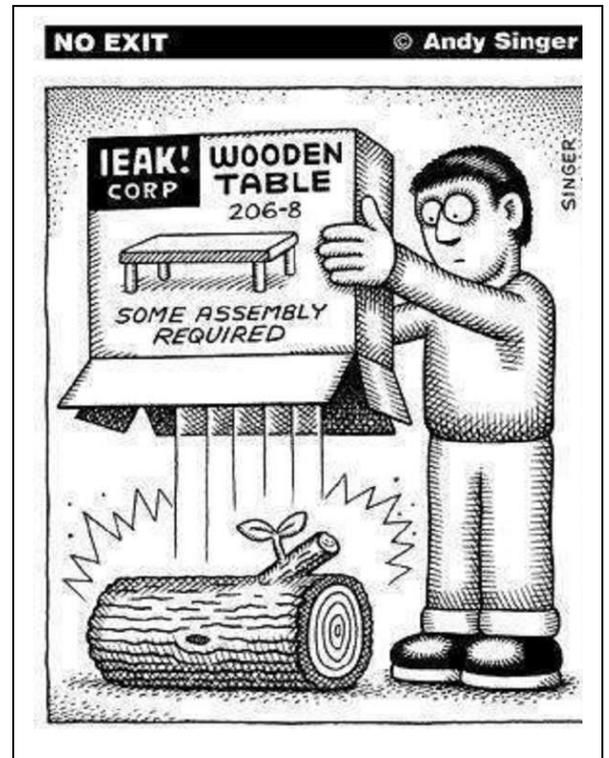

Rich Hoepfner will present on making woodworking tools. This plans to be another great presentation by one of our fine woodworkers. Those who saw his planes at show and tell in August will agree. Hope to see you there!

UPCOMING MEETINGS AND TOURS.

November: I plan to have a presentation on wood glues and show my new router table.

December: Annual Christmas Dinner; Monday, December 3, 2018

Bonus Meetings: Tom Hutchinson with a shop tour and his slab leveling table and wood spauling laboratory, Gary Easterwood with a shop tour at his shop in Booneville plus some commercial woodworking businesses like Dimensions in Wood and the barrel factory at Higbee.

FAMILY TREE OF VINCENT VAN GOGH

His dizzy aunt-----Verti-Gogh
 The brother who ate prunes-----Gotta-Gogh
 The brother who worked at a convenience store-----Stop&Gogh
 The grandfather from Yugoslavia-----U-Gogh

An aunt who taught positive thinking-----Way-to-Gogh
The little bouncy nephew-----Poe-Gogh
A sister who loved disco -----Go Gogh
And his niece who travels the country in an RV-Winnie Bay Gogh
I saw you smiling-----There ya Gogh!!!!

Request for canoe paddles

We have received a request from Marj Meredith for any club member who might be interested in making canoe paddles for her. She has one in cherry that needs to be finished and also wants some from black walnut lumber that she has and is looking for eastern red cedar. Paddles are to be 56 and 62 inches long. You can contact her at margoriemeredith@icloud.com

MWA Toy Project

MWA members spent Saturday and Sunday, October 12 and 13 helping children make their own toy cars at the Hartsburg Pumpkin Festival. Despite the cool and cloudy weather, the crowd on Saturday kept us busy and the donation jars yielded a healthy harvest. Sunday started slow and then tapered off as the rain set in. Despite the gloomy weather, we saw a lot of smiles and only had a few hammer hits from those who either don't hit where they're looking or don't look where they're hitting. Thanks to everyone who helped staff the booth!

We now need to assemble the remainder of the toy cars to give to children's service agencies for Christmas. We will meet at Bob Youngquist's shop, 4089 North Thompson Road (directions are in the September newsletter), at 6:30 PM on Thursday October 25 to put wheels on the car bodies. Please come and help get ready for Christmas!
