President's Letter

Labor Day has brought in some real nice weather to work in the shop. I think I spent 20 hours in the shop making all kinds of little goodies. Hope everyone was able to make some saw dust sometime over the three days.

Our next gathering is at the Heritage Festival on the 17th and the 18th. I would appreciate seeing a large crowd of woodworkers helping out with our booth. Please send me an email if you are attending the Heritage Festival, and while I'm at it, please include if you will work the Pumpkin Fest in October. I need to know because I will provide my favorite food group "DONUTS" for all who show up. I plan on taking my Scroll Saw to the Heritage Fest, it would be nice to see some lathe work or some other kind of woodworking demo. Let me know if you want to show your skills off! Everyone knows I am a show-off.

Our next regular meeting will be on September 26th. Our program for the meeting will be announced later.

Minutes

Meeting held Aug. 22, 2011 at Boone County Millworks, 7:00 pm.

Darren laupp president

21 members present

Minutes were read

Treasurer's report showed \$2290.00 for wood workers and \$821.00 for wood turners. Tom said we had \$162.00 left over from the shaker box workshop

Dues are due

The Shaker box workshop was a success

The Heritage Fest at Nifong Park is Sept. 17 and 18. We need as many volunteers as possible.

The Pumpkin Fest at Hartsburg is Oct.8 and 9

Ernest said we have been asked to build a picnic table at Coyote Hills this Saturday and said we need volunteers

Clyde said that John Wilson was interested in putting on a workshop on making planes if there was enough interest. Several said they were interested.

Ernest announced a toy work shop at the P.E.T. building Aug.26.and we need as many as can help.

He also said there would be woodturning workshop at his house on Sept.1 st.

Ben Colley had a set of sharpening stones for sale.

Terry had wood to give away.

Jay Hickman gave a very interesting program on how he makes native American flutes by hand and how he plays them

Show and tell

1. Harrold Ankeny showed the Shaker boxes and tray he made after he finished them.
2. Tom Stauder showed turnings he made.
3. Darren Laupp showed a scroll saw clock he made.

The Door prize was shop rags and was won by Dale Andrews.

The Raffle was a multi tool and was won by Clyde Rea the raffle bought in \$35.00.

From WOOD Magazine

Best ever shop disc? You decide. We take our shops seriously at WOOD magazine. For 27 years we've been putting together Idea Shops for WOOD, visiting top woodworking shops around the country for our America's Best Home Workshop magazines, and finding even more shop/garages for our Great Garage Makeovers publication. What's better than all those shops? All those shops on one disc. We recently finalized our Complete Guide to America's Top Shops, which includes all the shops (more than 100) featured in past issues of WOOD and our newsstands specials.

Whether you're creating a shop from scratch, updating your work area, or if you'd just like to see what others are doing to their shops, this very well may be the best shop compilation ever. The only caveat is that you better put aside a few days to review all the shops we've crammed into one disc. Learn more about this popular shop compilation at woodmagazine.com/shopsdvd

Jay Hickman demonstrates the Native American flutes he makes and plays at the August 2011 MWA meeting.

Tom Stauder's turning for the August meeting Show and Tell.

MWA members build a picnic table for Coyote Hills, August 2011
