May 2012

President's Letter

Hello fellow woodworkers,

May is here and this will be our first blended meeting of the year. For those that have been vaccinated or already had COVID, and also feel comfortable attending an in-person event we will be meeting at 6:30 PM this Monday, May 24th, at Sawdust Studios, at 2207 Nelwood Dr, Unit 105, here in Columbia. Cruz Chavez has been kind enough to open his place of business to let us use it for the Midwest Woodworkers' Association meetings.

The agenda is currently not fully formed but a couple of items include the discussion of future meetings or field trips, organize and plan fundraising at the Pumpkin Festival, and also the members building toy cars for the upcoming Christmas season.

I'm presently looking for someone to make the presentation, but my fall back is to go over how to tune up various stationary pieces of shop equipment, since we have the use of the Sawdust Studios. As I mentioned during our last meeting, I'm very busy with a long list of items that my wife and I are trying to get finished around our house before my son's wedding this summer. Therefore, I may be winging it with some of my presentation on Monday.

I hope to see those that can attend the meeting on Monday, either in person or via zoom, and I hope to see your projects if you can have them available for a show and tell.

Have a great day,

Dean
